STUDENT SCIENTIFIC CONFERENCE

Technical University in Zvolen

Faculty of Wood Sciences and Technology

# 61st year International Conference

Dear ladies and gentlemen, dear friends of science  
please accept the invitation to participate  
in the 61th International Conference  
“Student’s scientific and professional activity”

**Deadline for the registration and scientific papers: 24. 04. 2020**

**Conference and presentations of scientific papers will take place on: 07. 05. 2020**

The aim of the Conference is to engage students into scientific and research activities and develop their creativity. Students either individually or in teams work on practical projects in cooperation with experienced pedagogical, scientific-research workers as well as professionals. Results of their works are presented and students can exchange their experience within their field of study and research at the ŠVOČ International Conference.

*We are looking forward to your participation*

*Sincerely yours*

*Assoc. prof. Dr. Iveta Čabalová*

*Conference Organisor*
